#### **REFLECTION QUESTIONS: YOUR COMMITMENT TO THE CHURCH**

1. Am I submitted to any spiritual authority in my life? Have I given this church and their leaders permission to speak, counsel, and influence my life for God's glory?
2. Do I have 1, 2, or even 3 people in this church that know my deepest fears and struggles, but also have permission to call me "out and up" when necessary?
3. Am I sharing anything financially with this church?
4. How am I sharing my gifts and/or time to serve others in this church?
5. How am I spending my energy to help disciple others?
